

## 1. Direct Income Support & Social Security

### PM-KISAN (Pradhan Mantri Kisan Samman Nidhi)

- **What it is:** A central sector scheme providing guaranteed income support to landholding farmer families across the country.

Eicher Tractors

- **Benefit:** ₹6,000 per year, disbursed in three equal installments of ₹2,000 directly into the bank accounts of farmers via Direct Benefit Transfer (DBT).

Eicher Tractors

- **Impact:** Enhances liquidity for small and marginal farmers to buy timely inputs like seeds and fertilizers.

Eicher Tractors

### PM-KMY (Pradhan Mantri Kisan Maandhan Yojana)

- **What it is:** An old-age pension scheme specifically designed for Small and Marginal Farmers (SMFs).

Vikaspedia

- **Benefit:** A assured monthly pension of ₹3,000 after attaining the age of 60.
- **Details:** It is a voluntary and contributory scheme where the farmer contributes a monthly subscription (between ₹55 to ₹200 based on entry age), and the Central Government matches the exact amount.

## 2. Risk Mitigation & Financial Credit

### PMFBY (Pradhan Mantri Fasal Bima Yojana)

- **What it is:** A comprehensive crop insurance scheme designed to safeguard farmers from financial losses due to non-preventable natural risks (drought, floods, pests, and post-harvest losses).

Eicher Tractors

- **Benefit:** Farmers pay a heavily subsidized uniform premium—only **2%** for Kharif crops, **1.5%** for Rabi crops, and **5%** for commercial/horticultural crops—with the remaining premium shared between central and state governments.

### Kisan Credit Card (KCC) & Interest Subvention

- **What it is:** A system providing hassle-free, short-term credit to farmers for cultivating crops and managing allied activities (animal husbandry, dairying, and fisheries).

Eicher Tractors

- **Benefit:** Concessional short-term loans up to ₹3 lakh are offered at a basic interest rate of 7%. Under the **Modified Interest Subvention Scheme (MISS)**, farmers who repay their loans promptly get an additional 3% rebate, bringing the effective interest rate down to just **4%**.

### 3. Technology, Infrastructure & Modernization

#### PM Dhan-Dhaanya Krishi Yojana (*New Launch*)

- **What it is:** A high-outlay scheme launched with a massive budget of ₹24,000 crore, designed to drive district-level agricultural innovation and regional self-reliance.

PM India

- **Benefit:** Empowers local administrations to build district-level tailored action plans based on local soil and climate conditions, bridging the gap between scientific planning and actual field implementation.

PM India

#### Dalhan Atmanirbharta Mission (Pulse Self-Reliance Mission) (*New Launch*)

- **What it is:** A highly targeted mission with an investment of over ₹11,000 crore to eliminate dependence on imported pulses.

PM India

- **Benefit:** Directly incentivizes and supports farmers expanding into pulse cultivation (like Tur, Urad, and Masoor) by expanding cultivation by 35 lakh hectares and ensuring robust, guaranteed government procurement systems.

PM India

#### Namo Drone Didi Scheme

- **What it is:** An intersection of women empowerment and precision agriculture.

Eicher Tractors

- **Benefit:** Trains and equips Women Self-Help Groups (SHGs) with agricultural drones. These "Drone Didis" provide specialized rental services to local farmers

for precision spraying of pesticides and liquid nano-fertilizers, reducing input waste and handling hazards.

Eicher Tractors

### **PM-KUSUM (Pradhan Mantri Kisan Urja Suraksha evam Utthaan Mahabhiyan)**

- **What it is:** A solar energy integration scheme aimed at desubsidizing agricultural power and de-risking diesel costs.
- **Benefit:** Provides up to a **60% subsidy** for installing standalone solar pumps and solarizing grid-connected agricultural pumps. Farmers can also generate extra revenue by selling surplus solar power back to the grid.

Agriwise

### **Agriculture Infrastructure Fund (AIF)**

- **What it is:** A medium-to-long-term debt financing facility with a ₹1 lakh crore corpus.
- **Benefit:** Provides interest subventions and credit guarantees for building post-harvest management infrastructure, such as cold storages, warehouses, sorting units, and e-trading points. Eligible entities include farmers, Agri-entrepreneurs, and Farmer Producer Organizations (FPOs).

Press Release: Press Information Bureau

## **4. Sustainability & Soil Health**

### **Soil Health Card Scheme**

- **What it is:** A scientific assessment program to curb the overuse of chemical fertilizers.
- **Benefit:** Farmers are issued a detailed "report card" for their soil every 3 years across 12 critical parameters (like N, P, K, pH, and organic carbon). It provides clear, customized advisory on the exact dosage of fertilizers and soil amendments needed.

Eicher Tractors

### **eNAM (National Agriculture Market)**

- **What it is:** A pan-India electronic trading portal that networks existing APMC mandis to create a unified national market for agricultural commodities.

Eicher Tractors

- **Benefit:** Removes middlemen bottlenecks, allowing farmers to showcase their produce digitally to buyers across the country, ensuring transparent price discovery and better financial returns.
